

ULTRA BURN™

WEIGHT MANAGEMENT SUPPORT

THE BOOST YOU NEED TO REACH YOUR GOALS

EXCLUSIVE TECHNOLOGY TO SUPPORT HEALTHY WEIGHT MANAGEMENT.

Support your metabolism, burn fat, reduce hunger, and efficiently convert sugar into energy with UltraBurn™.*

The support you need. Every delightful serving features our weight management support blend and our Mimetix™ blend to spark a new you.*

Delicious flavor and powerful ingredients. The sweet, spicy flavor of cinnamon is combined with our blend of ingredients including green coffee bean extract, phenethylamine, and garcinia.

Exceptional bioavailability. UltraBurn™ offers full spectrum endocannabinoid system-based weight management support made water-soluble for enhanced absorption.*

THE SCIENCE

The Endocannabinoid System, or ECS for short, is a complex network of receptors that are found throughout your brain, body, and

immune system. This system is believed to be responsible for balancing functions related to sleep, relaxation, and cognition. Your ECS is fueled by endocannabinoids, which are molecules produced by your body to interact with these receptors. When the production of endocannabinoids becomes slowed or imbalanced, phytocannabinoids, which are cannabinoids produced in the hemp plant, can supplement what the body may be lacking.

THE MIMETIX™ FORMULA

Typically, the conversation about the endocannabinoid system (ECS) revolves around phytocannabinoids alone. Mimetix™ takes ECS health to a whole new level. Mimetix™ includes cannabimimetics that have a similar pharmacological impact on the ECS as phytocannabinoids. When these compounds are combined in a full spectrum, water-soluble format, they can easily be added to your daily routine to support healthy weight management.*

EXCLUSIVE TECHNOLOGY

As we all know, oil and water don't mix. This can be a challenge when taking oil-based supplements. UltraCell™ technology turns oil-based compounds into a water-soluble format. This exclusive technology has been demonstrated in a clinical study to enhance the bioavailability of our oil supplements.

Supplement Facts

Serving Size 1 dropper (1 mL)

Servings per Container 60 or 120	Amount per Serving	% Daily Value
Chromium (as Chromium Picolinate)	37 mcg	106%
Weight Management Support Blend Garcinia Cambogia Fruit Rind, Green Coffee Bean Extract (<i>Coffea arabica</i>), Phenylethylamine, Caffeine (from <i>Coffea robusta</i> bean), Cinnamon Bark Extract (from <i>Cinnamomum cassia</i>)	130 mg	±
